

November 28, 2022

Hello Butte Falls Charter School Families,

This letter is to inform you of our school policy around riding the late/activity bus in the evening. Any student who is doing a school activity such as sports, clubs, tutoring, etc. may ride the late bus. Students who are not in a school activity and/or siblings of those students who may be participating in a school activity must get permission from administration or the athletic director to ride the late bus home. This policy helps us to keep students safe and make sure they are accounted for by the school and their parents. Butte Falls Charter School cannot be responsible for what students are doing after school hours and off campus. In addition to this, any student who is not following the bus policy guidelines will be subject to discipline and/or being prohibited from riding the bus in the evening. Starting Monday, November 28, any student who has not been cleared ahead of time to ride the late bus will not be allowed to ride. If a student tries to ride the bus without permission a parent will be called to pick them up.

Our goal is to make sure we are working together with families to ensure the safety of all students. Thank you for your cooperation!
